The convenient monthly payment option is available when you pre-authorize a monthly withdrawal from your checking account after your initial enrollment payment of two month's premium. The authorization information is on the enrollment form.

If you don't choose to pay by this method, the only other option is the annual premium.

You have ten days after you submit payment to be sure you are completely satisfied. If, within these ten days, you decide to cancel, you may request a full refund provided you have not utilized the plan. If you later decide to cancel your membership within the first year, you will be subject to a \$50.00 cancellation fee and will receive a pro-rated refund.
